

JJO JOY

Mechanical Engineer | CHP & Plant Maintenance

Dublin, Ireland | sample@email.com | linkedin.com/in/sample

PROFESSIONAL SUMMARY

Mechanical engineer with hands-on experience in CHP engines, biogas systems, preventive maintenance, fault diagnosis, heat exchangers, hydraulics and pneumatics. Experienced in safe plant operations, inspections and maintenance documentation.

EXPERIENCE

Panda Power - Mechanical Engineer

Dec 2024 - Jun 2025

- Performed scheduled inspections and maintenance on Jenbacher, MWM, Deutz and CAT CHP engines.
- Conducted CH4 gas-pipe balancing to identify and isolate oxygen-leaking pipelines.
- Maintained heat exchangers, heat pumps, hydraulic and pneumatic systems.
- Diagnosed mechanical faults in real time to reduce downtime and improve reliability.

CORE SKILLS

CHP engines | Preventive maintenance | Breakdown maintenance | LOTO | SHEQ | Gas pipeline balancing | Heat exchangers | Hydraulics | Pneumatics | AutoCAD | CMMS

EDUCATION

B.Tech Aeronautical Engineering

Hindustan University - 2017

CERTIFICATIONS

SafePass | Manual Handling | Abrasive Wheels | Full Irish Driving Licence
